The screenshot shows a web form titled "Digital Affidavit - SAG" for carrying goods. At the top, there are logos for SAG (Servicio Agrícola y Ganadero) and ADUANAS (Aduanas de Chile). Below the logos, there is a language selector set to "English". A progress bar with four steps is shown, with the first three steps (1, 2, 3) highlighted in green and the fourth step (4) in white. The form content includes a "Folio number: 33708445" and the title "Digital Affidavit - SAG". A declaration statement reads: "I declare to be carrying one or more products of plant or animal origin". Below this, there are two radio button options: "Yes" and "No". The "No" option is selected. A blue button labeled "MORE INFORMATION" is positioned below the "No" option. A disclaimer at the bottom states: "Declaring 'Yes' does not necessarily imply authorization to enter the products you are carrying, as they must comply with current legal regulations. DO NOT RISK FINES! If you have doubts, declare or consult with an inspector before the inspection." At the bottom of the form, there are two buttons: "BACK" and "I DECLARE".

Kliknete na **NO**, ale ak privádzate nejaké potraviny resp. položky, ktoré nájdete v zozname **More Information**, kliknite na **YES**.

Ak si nie ste istí, kliknite **radšej** na **YES** a pokračujte vo formulári ďalej.

Ak ste zvolili možnosť YES, pri prechode cez východ EXIT s veľkou batožinou do príletovej haly majte deklarované potraviny oddelené od ostatnej batožiny. V prípade kontroly tak budete môcť pracovníkom rýchlo ukázať, čo so sebou prinášate. Ak sú potraviny povolené, umožnia vám pokračovať.

Drobné občerstvenie, napríklad oriešky, keksíky alebo tyčinky v neotvorenom originálnom balení, na ktorom je uvedená krajina pôvodu, zvyčajne nebýva problémom. Za uvedenie nepravdivých informácií môžu pri náhodnej kontrole hroziť pokuty.
